#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

**Sonance Virtuoso® DR-Series**  
**8'' In-Ceiling Speakers**

**Virtuoso V832a**

**Sonance Virtuoso® DR-Series In-Ceiling Speakers**  
The truly revolutionary Virtuoso® Virtuoso® DR-Series speaker line is the only speaker performance and technology for a higher price. This means you can enjoy the same great sound from virtually any location.

All our Virtuoso DR-Series speakers incorporate advanced driver materials and technology that give them outstanding musical performance. High quality drivers are housed in the head of deep, precision cast metal cones that are welded into the mounting system. The 8'' deep mounting assembly and exclusive spring force Ear® mounting/bumper assembly allow a wide range of listening, providing superior performance even when mounted in non-ideal locations.

**Features:**

- Completely redesigned for 2005 with dramatically improved sound quality and better driver materials.
- Fully-padded, weather-resistant and painted Steel Ear® direct sound of listening, for 90-degree sound even when placed in non-ideal locations.
- Advanced driver materials deliver extremely accurate musical performance.
- 8'' diameter weather-resistant deep, powerfull bass.
- Exclusive Reinforced ABS (RABS) weather-resistant material construction.
- 3-position tweeter adjustment switch (V832a, V832b, V832c) and 2-position midrange adjustment switch (V832a, V832b).
- Exclusive new FastMount™ tabs hold speaker in the mounting for easy installation, allowing rotation for up to 90 degrees in any direction.
- Reinforced mounting system simplifies installation.
- Patented aluminum grille.
- V832c comes with an optional shield for maximum channel mix.
- Optional Reinforced Enclosure reduces sound spillage from rear of speaker into adjacent spaces.
